## You do not know our SSP 500 yet?

**Our SSP 500-Box consists of four different cleaners for the following areas Food&Kitchen, Engine&Garage, Oil&Petrol Station and Machine&Industry.**

Whether it's green film on the patio, oil stains in the garage, or grease splatters from cooking in the kitchen: Stain Solution Pro can remove a variety of contaminants in a second.

The bottles are small, handy, space-saving and ready to use!

In addition, our cleaner is biodegradable, pH neutral and even suitable for use in the food sector.

Technical data:

Content 500ml | Weight: 475g | Dimensions: 71 x 75 x 213mm (LBH)

Nonfood Compounds  
(A1, A8)
