

DID YOU KNOW?

WE CAN DO 90%

**SORB^{®XT} REDUCES THE
(OIL) CARBON CONTENT IN
WATER AFTER CONTAMI-
NATION BY A HEFTY 90%**

[Check out the TOC-Report](#)

Safe, Efficient, Fast

SORB®XT is a highly effective, 100% organic binding agent that can be used without risk on water, roads and all other surfaces in the event of damage. It fulfils the high federal requirements for oil and chemical binders and is certified for use on all surfaces, be it land or water.

In just a few seconds, SORB®XT absorbs up to 8 times its own weight, enabling a rapid response to incidents and contributing to occupational safety with a certified slip resistance of 95% immediately after use. The low weight results in disposal savings of between 80 and 90%.

Everything from small spills to large leaks

SORB®XT is available in various packaging units. No matter what your requirements are, with SORB®XT you are sure to always have the right solution.
